

June 2021

Here are some pictures from KCP taken during this last week. The children are happy for a good lunch and extra support with their school work.

Thank you to everyone who supports us in whatever way, we appreciate it very much and could do nothing without you.

The pictures show dance practice on the terrace, revision classes for Primary and some staff at lunchtime.

Fingers crossed for good results for the children, they will have a week off school while teachers mark the papers. Then a well deserved holiday, here's hoping the regulations will allow them to enjoy their free time.

Best wishes to all,

Meg
