

December news 2021

After a very challenging year for all of us it is time to say thank you and try to share the love a little.

Firstly, thank you very much to the trustees who give freely of their time to help and give advice.

Thank you to the sponsors of individual children who are giving those young people a very special start in life. Who would have thought that we already have one student who has finished tertiary education and two others in university having started with us in the nursery? You are giving them a chance to take control of their lives when there had been no hope.

And then there is our small army of lovely people who arrange sales and other events to raise funds for us here in the UK. Time is freely given to lovingly craft beautiful, make delicious cakes to eat, devise games to play to raise funds for the project, knowing that every penny goes for the benefit of vulnerable and impoverished children and their families – kind, helping hands.

We are so very grateful.

My heartfelt wishes go out to you for the best possible Festive Season and a happier 2022 for all of us,

Meg

All for now – bring on 2022!

Love and peace to all, stay safe and well please.
